Curriculum Vitae

Robert Lee Norris, Jr., MD, FACEP, FAAEM

PERSONAL

Date of Birth	April 6, 1957
Place of Birth	Waynesville, North Carolina
Citizenship	United States
Marital Status	Married
Business Address	Division of Emergency Medicine Stanford University Hospital 701 Welch Road, Suite C Palo Alto, California 94304-5777 650/725-9445 (office) 650/723-0121 (fax)

EDUCATION

Undergraduate	Virginia Military Institute Lexington, Virginia 1975-1979 B.S. Degree (Biology)
Medical	Medical College of Virginia Richmond, Virginia 1979-1983 M.D. Degree
Internship	Akron City Hospital Akron, Ohio 1983-1984 Emergency Medicine
Residency	Akron City Hospital Akron, Ohio 1984-1986 Emergency Medicine
Police Academy	South Bay Regional Public Safety Training Consortium College of San Mateo San Mateo, California 2004-2005

PROFESSIONAL EXPERIENCE AND APPOINTMENTS

1980-1984	Virginia State Emergency Medical Technician (Forest View Volunteer Rescue Squad)
1983-1984	Virginia State Cardiac Technician (Forest View Volunteer Rescue Squad)
1984-1986	Associate Medical Advisor

	Hudson Volunteer Rescue Squad
1986	Flight Physician Cleveland Metropolitan Hospital Life-Flight Program
1986-1990	Attending Staff Department of Emergency Medicine Brooke Army Medical Center
1986-1990	Research Coordinator Department of Emergency Medicine Brooke Army Medical Center
1990-1991	Assistant Professor of Surgery and Medicine Emergency Department Section of Surgical Sciences Vanderbilt University Medical Center
1990-1991	Program Director Emergency Medicine Residency Vanderbilt University Medical Center
1991-1998	Assistant Professor Department of Surgery Division of Emergency Medicine Stanford University Medical Center
1998-Present	Associate Professor Department of Surgery Division of Emergency Medicine Stanford University Medical Center
1991-1995	Associate Chief Division of Emergency Medicine Stanford University Medical Center
1993-1999	Medical Director Transport Program/Life Flight Stanford Hospital and Clinics
1993-1998	Medical Director Stadium Care Stanford University
1994-1998	Team Physician Varsity Wrestling Stanford University
1995-1997	Acting Chief Division of Emergency Medicine Stanford University Hospital
1995-Present	Medical Director Employee Health Stanford Health Services

1996	Expedition Physician National Geographic Mayan Mountain Archeological Project Belize
1997-Present	Chief Division of Emergency Medicine Stanford University Medical Center
2000-Present	Emergency Medicine Consultant Stanford Sports Medicine Program Stanford University
2001-2005	Faculty Advisor Stanford University Wilderness Medicine Student Interest Group
2001-2009	Medical Specialist Urban Search and Rescue Team - Task Force 3 Federal Emergency Management Agency (FEMA) Menlo Park Fire Protection District
2002-Present	Volunteer Medical Consultant American Red Cross Palo Alto Chapter
2003-2005	Adjuvant Faculty Tactical Emergency Medicine Heckler & Koch, International Training Division
2003-Present	Reserve Deputy Sheriff Santa Clara County Sheriff's Office
2003-Present	Tactical Medic Santa Clara County Sheriff's Office Special Emergency Response Team (Medical Director 2005-Present)
2005-Present	Faculty International School of Tactical Medicine Palm Springs, California
2008	Volunteer Physician International Medical Corps
2008-Present	Member, Iraqi Emergency Medicine Policy Working Group

MILITARY

May 1979	Reserve Commissioned Officer - 2nd Lieutenant
July 1986	Reactivated - Captain, Medical Corps
July 1989	Promoted to Major
July 1990	Honorable Discharge

COMMITTEES

1986-1990	Brooke Army Medical Center Clinical Investigation Committee
1990	American College of Emergency Physicians Standards Committee Subgroup: Fractures and Wound Care
1992	Stanford University Hospital Conscious Sedation Committee
1992	Stanford University Hospital - Lucille Packard Children's Hospital Child Abuse Committee
1993	Santa Clara County Systems Advisory Committee
1993-1999	Santa Clara County Trauma Audit Committee
1993-1995	Stanford University Hospital ICU Committee
1994-1996	Santa Clara County Emergency Medical Systems Information Committee
1994-1996	Government Affairs Subcommittee (Injury Prevention) California Chapter of the American College of Emergency Physicians
1995-Present	Council on Scientific Affairs, Emergency Medicine Committee California Medical Association
1995-Present	Stanford Hospital and Clinics Medical Board
1995-1997	Stanford Health Services Emergency Department Committee
1996	Stanford Health Services Ad Hoc Medical Staff Conduct Review Committee
1996-Present	Stanford Hospital and Clinics Pediatric Emergency Care Quality Team
1997-Present	Stanford Hospital and Clinics Emergency Department Committee (Chair)
1998-2003	Stanford Hospital and Clinics Infection Control Committee
2000-2001	Santa Clara County Health Advisory Commission
2001-Present	Wilderness Medical Society Publications Committee
2003-Present	Tactical Emergency Medicine Section American College of Emergency Medicine
2001-Present	Physician Volunteer, American Red Cross Palo Alto Chapter

BOARDS OF DIRECTORS

2001-2005	American Red Cross Palo Alto Chapter

LICENSURE

1984	Ohio (#35-050751) - inactive
1990	Tennessee (#MD020607) - inactive
1991	California (#G072988)
1993	Texas (#J5425)

CERTIFICATION

1984	National Board of Medical Examiners (#277949)
1987	American Board of Emergency Medicine (#860136) (Re certified 1997 and 2007)
1988	Advanced Cardiac Life Support Instructor (ACLS)
1989	Advanced Trauma Life Support Instructor (ATLS) (current)
1990	Pediatric Advanced Life Support Provider (PALS)
1999	Neonatal Resuscitation Program Provider (NRP)
2002	Tactical Emergency Medicine (Heckler & Koch International Training Division)
2003	Advanced Tactical Emergency Medicine (Heckler & Koch International Training Division)
2003	California Peace Officers Standards of Training – Level 3
2004	Task Force Medical Team Training (Urban Search and Rescue/Federal Emergency Management Agency)
2009	Tactical Tracking

PROFESSIONAL MEMBERSHIPS

1986-Present	American College of Emergency Physicians
1986-1990	Government Services Chapter of American College of Emergency Physicians
1986-Present	Society for Academic Emergency Medicine
1990-Present	American Medical Association
1990-1991	Tennessee Chapter of American College of Emergency Physicians
1990-1991	Southern Medical Association
1991-Present	Wilderness Medical Society
1991-Present	International Society on Toxinology
1991-Present	California Chapter of American College of Emergency Physicians
1992-Present	California Medical Association
1992-Present	Santa Clara County Medical Association
2003-Present	International Tactical Emergency Medical Services Association
2006-Present	Society for Airway Management
2009-Present	Special Operations Medical Association
2009-Present	American Academy of Emergency Medicine

COURSES GIVEN

Advanced Cardiac Life Support (ACLS)

- Akron City Hospital, Akron, Ohio - July 1984, July 1985
- Brooke Army Medical Center, Fort Sam Houston, Texas - February 1987, January 1988
- Stanford University Medical Center, Palo Alto, California – July 1993

Advanced Trauma Life Support (ATLS)

- Maryland Institute of Emergency Medical Services Systems, Baltimore, Maryland - April 1985

- Academy of Health Sciences, Fort Sam Houston, Texas - September 1988, July 1989, August 1989,
- Stanford University Medical Center, Palo Alto, California – July 1992, January 1993, July 1993, July 1994, March 1995, July 1995, July 1996, March 1997, March 1998, October 1998, November 1998, March 2000, July 2000, July 2001, June 2002, December 2003, June 2004, March 2005, June 2006, June 2008, July 2008, June 2009

Emergency Medicine Oral Board Preparation Course

- Texas Chapter of American College of Emergency Medicine, Dallas, Texas - January 1988
- Tri-Service Symposium in Emergency Medicine, San Antonio, Texas - February 1989 (Course Director)

Prehospital Trauma Life Support (PHTLS)

- Baystar Medical Services, Burlingame, California – May 1993 (Course Director), June 1993 (Course Director), August 1993 (Course Director), September 1993 (Course Director), November 1993 (Course Director)

HONORS AND AWARDS

1975	Class Valedictorian Douglas S. Freeman High School
1976	Three Year Army ROTC Scholarship
1976	Department of Biology Outstanding Freshman Award
1976	American Heart Association Summer Research Fellowship
1977	Department of Biology Outstanding Sophomore Award
1978	Department of Biology Outstanding Junior Award
1978-1979	President Virginia Military Institute Honor Court
1978-1979	Cadet Captain (ECHO Company Commander) Virginia Military Institute
1979	Department of Biology Outstanding Senior Award
1979	Hughes Trophy Top National Army ROTC Graduate
1979	Jackson-Hope Medal Top Virginia Military Institute Graduate (4.0 GPA)
1979	Distinguished Military Graduate
1979	Phi Kappa Phi Honor Society
1980-1981	President

	Sophomore Medical School Class Medical College of Virginia
1982	Alpha Omega Alpha
1982	Sigma Zeta Honorary Science Society
1988	Army Achievement Medal (meritorious achievement as research coordinator) Department of Emergency Medicine Brooke Army Medical Center
1989	Fellow of the American College of Emergency Physicians
1995	Charles S. Houston Award Wilderness Medical Society Research Grant ($1,500) (Faculty Advisor for student applicant Kamala Rose - snakebite research)
2005	Top Police Academy Recruit South Bay Regional Public Safety Training Consortium College of San Mateo
2005	Wilderness Medical Society Education Award
2007	Wilderness Medical Society Research Award
2009	Fellow of the American Academy of Emergency Medicine

EDITORIAL BOARDS

1997 - Present	*eMedicine* (Emergency Medicine Online Reference), Boston Medical Publishing Corp.

EDITOR POSITIONS

2001 – Present	*Wilderness and Environmental Medicine* Editor-in-Chief

ADVISORY BOARDS

2009 – Present	*Journal of Indian Emergency Pediatrics*

MEDICAL CONSULTANT

1987 – Present	San Antonio Zoo
1990 – Present	Nashville Zoo
2000 – Present	California Poison Control System
2002	ABC News
2002 – Present	Dallas Zoo

PRESENTATIONS

Hudson Volunteer Rescue Squad Emergency Medical Technician Course. Hudson, Ohio; 1985:
a. Medical Emergencies
b. Bites and Stings of Venomous Animals
c. Emergency Childbirth

Saint Thomas Hospital Paramedic Course; Akron, Ohio; 1985:
a. Assessment of Multiple Trauma
b. Mass Casualty Incidents

Hudson Volunteer Rescue Squad Emergency Medical Technician Course. Hudson, Ohio; 1986:
a. Medical Emergencies
b. Bites and Stings of Venomous Animals
c. Emergency Childbirth

Saint Thomas Hospital Paramedic Refresher Course; Akron, Ohio; 1986:
a. Assessment of Multiple Trauma
b. Mass Casualty Incidents

Brooke Army Medical Center Emergency Medicine Residency Core Curriculum. Fort Sam Houston, Texas; 1986-1987 Academic Year:
a. Wrist Injuries
b. Knee Injuries
c. Central Nervous System Infections
d. Cyclic Antidepressant Overdose
e. Management of Venomous Snakebites
f. Prehospital Care Equipment and Ambulance Design

Brooke Army Medical Center Emergency Medicine Residency Core Curriculum. Fort Sam Houston, Texas; 1987-1988 Academic Year:
a. Initial Approach to Trauma
b. Writing a Research Protocol
c. Ankle Injuries
d. Reading/Writing Medical Papers
e. Electrical & Lightning Injuries
f. Hanging/Strangulation/Traumatic Asphyxia
g. Dentoalveolar Trauma
h. Shoulder & Elbow Disorders

Brooke Army Medical Center Emergency Medicine Residency Core Curriculum. Fort Sam Houston, Texas; 1988-1989 Academic Year:
a. Cervical Spine Injuries
b. Ankle & Foot Pain
c. Hypothermia & Cold Injuries
d. Heat Injuries

Brooke Army Medical Center Emergency Medicine Residency Core Curriculum. Fort Sam Houston, Texas; 1989-1990 Academic Year:
a. Management of Cervical Spine Injuries
b. Venomous Snakebite Management
c. Management of Electrical & Lightning Injuries
d. Dentoalveolar Trauma

1987 Tri-Service Symposium in Emergency Medicine. San Antonio, Texas; May 1987:
Venomous Snakebite in the United States

Brooke Army Medical Center Department of Internal Medicine Morning Report. Fort Sam Houston, Texas; August 1987:
Coral Snake Envenomation

Brooke Army Medical Center Health Fair. Fort Sam Houston, Texas; September 1987:
Venomous Snakebite in Texas

Texas Herpetological Society. San Antonio, Texas; September 1987:
Field Management of Venomous Snakebite

Darnall Army Hospital Emergency Medicine Residency Grand Rounds. Fort Hood, Texas; September 1987:
Venomous Snakebite in the United States

Brady/Green Community Health Center Health Fair. San Antonio, Texas; October 1987:
Venomous Snakebite in Texas

Brookes Air Force Base Security Police. San Antonio, Texas; March 1988:
First Aid Management of Venomous Snakebite

1988 Tri-Service Symposium in Emergency Medicine. San Antonio, Texas; April 1988:
Management of Electrical & Lightning Injuries

Brooke Army Medical Center Emergency Medical Technician Course. Fort Sam Houston, Texas; May 1988:
Environmental Emergencies

Brooke Army Medical Center Emergency Medical Technician Course. Fort Sam Houston, Texas; August 1988:
Poisonings and Bites/Stings

Brooke Army Medical Center Department of Internal Medicine Grand Rounds. Fort Sam Houston, Texas; September 1988:
Venomous Snakebite: A Medical Emergency

Brooke Army Medical Center Health Fair. Fort Sam Houston, Texas; September 1988:
Venomous Snakebite in Texas

Greater San Antonio Herpetological Society. San Antonio, Texas; December 1988:
Innovations in the Management of Venomous Snakebite

Brooke Army Medical Center Emergency Medical Technician Course. Fort Sam Houston, Texas; June 1989:
Medical Emergencies/Poisonings/Venomous Bites & Stings

Brooke Army Medical Center Department of Internal Medicine Morning Report. Fort Sam Houston, Texas; August 1989:
Medical Management of Pit Viper Envenomations

Darnall Army Hospital Emergency Medicine Residency Grand Rounds. Fort Hood, Texas; August 1989:
Venomous Snakebite in the United States

Wilford Hall Medical Center Department of Internal Medicine Grand Rounds. Lachland Air Force Base, Texas; October 1989: Venomous Snakebite: A Medical Emergency

Joint Military Medical Command Second Annual Nursing Symposium. Fort Sam Houston, Texas; October 1989:
Environmental Emergencies: Bites & Stings

Brooke Army Medical Center Department of Pediatrics Grand Rounds. Fort Sam Houston, Texas; October 1989:
Pediatric Snake Venom Poisoning

1990 Tri-Service Symposium in Emergency Medicine Nurses' Tract. San Antonio, Texas; March 1990:
Environmental Hazards: Bites & Stings

1990 Texas Herpetological Conference. San Antonio, Texas; March 1990:
Field Management of Venomous Snakebite

41st Combat Support Hospital. Fort Sam Houston, Texas; March 1990:
The Venomous Snakes of Guyana

Vanderbilt University Medical School. Nashville, Tennessee; November 1990:
Electrical and Lightning Injuries

Vanderbilt University Emergency Nursing Seminar. Nashville, Tennessee; April 1991:
Facial Injuries: The Airway is Closer than You Think

Vanderbilt University Emergency Nursing Seminar. Nashville, Tennessee; April 1991:
Bites and Stings of Spring

Tennessee Emergency Nurses Association. Nashville, Tennessee; May 1991:
Venomous Snakebite

Missouri Chapter of American College of Emergency Medicine. Lake of the Ozarks, Missouri; August 1991:
The Management of Venomous Snakebite in Missouri

Vanderbilt University Medical School. Nashville, Tennessee; September 1991:
Venomous Snakebite

Vanderbilt University Medical School. Nashville, Tennessee; October 1991:
Electrical and Lightning Injuries

Joint Military Medical Command Emergency Medicine Residency Grand Rounds. Fort Sam Houston, Texas; October 1991:
Venomous Snakebite: A Medical Emergency

Stanford University Department of Pediatrics Noon Conference. Palo Alto, California; January 1992:
Reading Pediatric Cervical Spine Radiographs

Stanford University Emergency Department Core Curriculum Lecture. Palo Alto, California; January 1992:
Respiratory Emergencies

Stanford University Emergency Medicine Residency Grand Rounds. Palo Alto, California; February 1992:
Electrical and Lightning Injuries

Stanford University Emergency Department Family Nurse Practitioners. Palo Alto, California; February 1992:
Evaluation of Knee Injuries

Stanford University Emergency Department Core Curriculum Lecture. Palo Alto, California; March 1992:
Toxicological Emergencies

Cowell Student Health Center 1992 College Health Update. Palo Alto, California; March 1992:
Environmental Envenomations

Stanford University Life Flight Nurses In-Training. Palo Alto, California; March 1992:
Facial Injuries and Airway Management

Stanford University Department of Pediatrics Noon Conference. Palo Alto, California; April 1992:
Pediatric Upper Extremity Disorders (Part I)

Stanford University Emergency Department RN/MD Collaborative Care Conference. Palo Alto, California; June 1992:
Use of Thrombolytic Agents in the ED

Stanford University Emergency Department Nursing Staff. Palo Alto, California; July 1992:
Venomous Snakebite in the United States

Stanford University Emergency Medicine Trauma Conference. Palo Alto, California; July 1992:
Acute Airway Management in Trauma

Stanford University Emergency Medicine Residency Grand Rounds. Palo Alto, California; August 1992:
Management of Venomous Snakebite in the U.S.

Stanford University Department of Pediatrics Noon Conference. Palo Alto, California; September 1992:
Pediatric Upper Extremity Disorders (Part II)

Stanford University Hospital Health Fair. Palo Alto, California; September 1992:
Snakebite Prevention & Treatment

Stanford University Emergency Medicine Residency Morbidity and Mortality Conference. Palo Alto, California; October 1992:
Electrical Injuries

American Red Cross First Aid Class. Palo Alto, California; November 1992:
First Aid for Venomous Snakebite

Trinity Baptist Church "MOMS" Program; Sunnyvale, California; November 1992:
Emergencies in the Home

Stanford University Emergency Medicine Residency Core Curriculum Lecture. Palo Alto, California; January 1993:
Pediatric Cervical Spine Radiography

California Medical Association 1993 Western Scientific Assembly. Anaheim, California; February 1993:
Medical Management of Snake Venom Poisoning

Akron City Hospital Emergency Medicine Residency Grand Rounds. Akron, Ohio; March 1993:
Medical Management of Snake Venom Poisoning

Hudson Volunteer Emergency Medical Services. Hudson, Ohio; March 1993:
Scene Safety

Stanford University Emergency Medicine Residency Core Curriculum Lecture. Palo Alto, California; April 1993:
Pediatric Orthopedics

Middle Tennessee Herpetological Society. Nashville, Tennessee; April 1993:
Field Management of Venomous Snakebite

Zoological Herpetologic Association, Nashville, Tennessee; May 1993:
Venomous Snakebite in Zoos

Stanford University Medical Students, Wilderness Medicine Course. Palo Alto, California; May 1993:
Venomous Bites and Stings
