Clarence H. Braddock III, MD, MPH, FACP
Professor of Medicine (General Internal Medicine)
Stanford University School of Medicine

EDUCATION: Undergraduate: *Stanford University* B.S. Biology with Honors, 1977

Medical School: *University of Chicago, Pritzker School of Medicine*, M.D., 1981

Postgraduate: *U.S. Naval Hospital, Oakland, California*;
1981-82: Internal Medicine Internship
1983-85: Internal Medicine Residency

Fellowship: *Seattle VA Health Services Research and Development Field Program* Ambulatory Care Fellowship, 1993-95

Postdoctoral: *Stanford University*
Primary Care Faculty Development Program
Medical Decision Making February 1992

University of Washington, School of Public Health and Community Medicine.
Masters in Public Health (Concentration in Medical Ethics) 1993-95

University of Washington School of Medicine, Department of Medical History and Ethics.
Certificate Program in Health Care Ethics, 1994 - 95

HONORS:
Phi Beta Kappa, Stanford University, 1977
Armed Forces Health Professions Scholar 1977-81
Alpha Omega Alpha, University of Chicago, 1981
Award for General Excellence, US Naval Hospital, Naples, Italy, 1986
Navy Commendation Medal: US Naval Hospital, Oakland, California, 1988
Mervin J. Goldman Teaching Award, UCSF 1992
Mentorship Award, Society of General Internal Medicine, 2003
Department of Medicine Division Teaching Award (GIM), Stanford 2004
Henry J. Kaiser Family Foundation Award for Excellence in Clinical Teaching, Stanford 2005
David A. Rytand Award for Clinical Teaching, Department of Medicine, Stanford 2006
Outstanding Clinician-Educator, Society of General Internal Medicine, California Region 2008
Arnold P. Gold Foundation Humanism Honor Society, 2010

PRINCIPAL ACADEMIC POSITIONS:

2009 - *Stanford University, Stanford, CA*
Professor of Medicine (General Internal Medicine)

2003 - 2009 *Stanford University, Stanford, CA*
Associate Professor of Medicine (General Internal Medicine)

2010 - *University of Washington, Seattle, WA*
Affiliate Professor, Bioethics and Humanities

2003 - *University of Washington, Seattle, WA*
Affiliate Associate Professor, Bioethics and Humanities

2001 - 2003 *University of Washington, Seattle, WA*
Associate Professor, Departments of Medicine, Medical History and Ethics (Adjunct), and Health Services (Adjunct) University of Washington

1995 – 2001 *University of Washington*
Assistant Professor, Departments of Medicine, Medical History and Ethics (adjunct), and Health Services (Adjunct) University of Washington

1993-1995 *University of Washington & VA Medical Center, Seattle, WA*
Ambulatory Care Fellow and Staff Physician, Seattle VAMC
Senior Research Fellow, Department of Medicine, University of Washington

1992-1993 *University of California, San Francisco*
Associate Clinical Professor of Medicine

1990-1992 *University of California, San Francisco*
Assistant Clinical Professor of Medicine

1989-1990 *University of California, San Francisco*
Clinical Instructor in Medicine

LEADERSHIP POSITIONS:

Stanford University, Stanford, CA

2011- Associate Dean, Undergraduate and Graduate Medical Education,
Director, Stanford Center for Medical Education Research and Innovation
2010- Chapter Advisor, Gold Humanism Honor Society
Director, Rathmann Family Foundation E4C Fellowship in Patient-centered Care
2007 - Associate Dean for Medical Education
Director, Scholarly Concentration Program in Medical Education
2007 - Associate Chair, Organizational Improvement, Department of Medicine
2007 – 2011 Medical Director for Quality (Medicine), Stanford Hospital & Clinics
2007 - Director of Clinical Ethics, Stanford Center for Biomedical Ethics
2007 - Associate, Stanford Center for Health Policy/Center for Primary Care & Outcomes Research
2003 – 2007 Director, Practice of Medicine Program
Medical Director, "Professionalism in Contemporary Practice," Stanford Faculty Development Center (SFDC)
2003 - Associate Chief, Division of General Internal Medicine

University of Washington, Seattle, WA

2001 – 2003 Associate Chairman, Department of Medicine

VA Puget Sound Health Care System, Seattle, WA

1995 – 2001 Associate Chief of Staff, Education and Director, Center for Education & Development

VA Medical Center, San Francisco, CA

1992 – 1993 Assistant Chief, Medical Service, SFVAMC
Acting Co-Program Director, UCSF Internal Medicine Residency Program
1991 – 1992 Acting Chief, General Internal Medicine
1991 – 1993 Chief, Evaluations and Admissions Unit
Coordinator, Ambulatory Care Education
1990 – 1993 Director, Intensive Care Unit
1989 – 1993 Chairman, ICU Committee

US Naval Hospital, Oakland, CA

1988-1989 Director, Intensive Care Unit
Head, General Internal Medicine
Assistant Director, HIV/AIDS Clinical Program

US Naval Hospital, Naples, Italy

1985-1988 Director, Medical Services (1987-88)
Head, Internal Medicine Department
Director, Intensive Care Unit
HIV Program Coordinator
Head, Respiratory Care Service

USS Wichita (AOR-1)

1982-1983 Senior Medical Officer

Conditional acceptance, Journal of General Internal Medicine, Language Barriers Supplement, 2007 November; 22(S2):336–40.

RESEARCH GRANTS:

Past:

1992 – 1993	Funder: VA Regional Health Service Research & Development Field Program Title: Evaluation of Discharge decision-making in the ICU Role: PI
1993 – 1994	Funder: VA Central Office of Academic Affairs Title: Ambulatory Care Residency Initiative: San Francisco VAMC Role: PI
1996 – 1997	Funder: Bayer Institute for Health Care Communications Title: Informed Decision-Making among surgeons and primary care physicians. Role: PI
1997 – 2001	Funder: Robert Wood Johnson Minority Medical Faculty Development Program Title: The Ethics Theme: Development, implementation and evaluation of an innovative approach to bioethics education in medical school. Role: PI
1997 – 1998	Funder: Seattle VA Center for Excellence in Health Services Research and Development Title: Attending Physicians' Recognition of Residents' Perceived Learning Needs in Ambulatory Settings Role: Co-investigator (PI: T. Laidley, Seattle VAMC)
1998 – 2001	Funder: VA Headquarters Office of Academic Affiliations Title: VA Ambulatory Care Education of Subspecialists (ACCESS) Program Role: PI
1998 – 2001	Funder: NIH (R21) Title: Short Course and Certificate Program in Research Ethics

	Role: Course Evaluator (PI: A. Jonsen, U Washington)
1998 – 1999	Funder: Seattle VA Center for Excellence in Health Services Research and Development Title: Patient Satisfaction and Health Beliefs Role: Co-investigator (PI: M. Micek, Seattle VAMC)
2001 – 2005	Funder: National Institute on Aging (R01) Title: Informed decision making in older patients and surgeons Role: Co-PI (PI: W. Levinson, U Toronto)
2001 – 2006	Funder: National Cancer Institute (K07) Title: Delivery and utilization of colorectal cancer screening Role: Consultant (PI: B. Ling, U Pitt)
2003 - 2004	Funder: Garfield Memorial Fund/Kaiser National Research Center Title: Coding and analysis of the best practices in physician-patient communication behaviors Role: PI
2003 – 2005	Funder: Centers for Disease Control (SIP) Title: Decision counseling in prostate cancer screening Role: Co-investigator (PI: R. Myers, Thomas Jefferson U)
2004 – 2005	Funder: Health Foundation (UK) Title: Informed decision making in general practice in the UK Role: Co-investigator (PI: M Weiss, U Bath)
2004 – 2005	Funder: HRSA Title: Center of Excellence in Minority Health Role: Co-investigator (PI: Mendoza)
2004 – 2007	Funder: Centers for Disease Control (SIP) Title: Feasibility of MD Education for IDM Role: Co-investigator (PI: K. Fryer-Edwards, U Washington)
2004 - 2006	Funder: National Cancer Institute (R21) Title: Decision making in a quaternary cancer research setting Role: Co-investigator (PI: Dreyvdahl, U Washington)
2005 – 2006	Funder: Agency for Healthcare Research and Quality Title: Health disparities in minority adult Americans Role: Co-investigator (PI: J. Trauth, U Pitt)
2005 – 2006	Funder: Firlands Foundation Title: Improving the quality of physician/patient communication for non-English speaking patients Role: Co-investigator (PI: JR Curtis, U Washington)
2005 – 2007	Funder: Macy Foundation Title: Professionalism in Contemporary Practice Faculty Development Program Role: Medical Director (PI: K. Skeff)
2006 – 2007	Funder: Gold Foundation Title: Developing and Sustaining Humanism: Where are we? Role: Co-PI (PI: D. Stern, U Michigan)

2007 – 2008	Funder: American Medical Association Title: Sound Prescribing: A Lifelong Curriculum For Physicians Role: Co-PI (PI: A. Kao, AMA)
2007 – 2008	Funder: Arthur Vining Davis Foundation Title: Paired Observation and Video Editing Role: Co-investigator (PI: L. Mauksch, U Washington)
2007 – 2010	Funder: HRSA Title: Faculty Development Program in Health Literacy and Ethnogeriatrics Role: Co-investigator (PI: G. Yao)

Present/Pending:

2004 – 2011	Funder: NHLBI (K07) Title: Integrated Immersive Approaches to Cultural Competence Role: PI
2009 – 2012 (submitted)	Funder: American Cancer Society Title: Informed Decision Making for Prostate Cancer Screening Role: Co-PI (PI: E. Chan, U Texas Houston)
2010-2012	Funder: Gordon & Betty Moore Foundation. Title: A Simulation-Driven, Patient Safety Program to Improve Outcomes on Medical and Surgical Hospital Units Role: PI
2011-2016	Funder: NIH/NCCAM Title: Collaborative Advances in Clinical Health Education (CACHE) Role: Co-PI (PI: J. Satterfield, UCSF)
2011 – 2014	Funder: Robert Wood Johnson Foundation Title: Shared Decision Making in Patients with Osteoarthritis of the Hip or Knee Role: Co-PI (PI Kevin Bozic, UCSF)

MAJOR PRESENTATIONS:

1990:
"Framework for Ethical Decision-making in the Intensive Care Unit"
Medical Grand Rounds, San Francisco VAMC

1991:
"A model for improved ambulatory care education in an academic medicine residency setting." Poster at Association of Program Directors in Internal Medicine, April 1991.

"An assessment of the role of moonlighting experiences in internal medicine resident ambulatory care education." Poster at Teaching in Internal Medicine Symposium, APDIM and ACP, October 1991.

"Use of resident self-assessment of clinical competence in curriculum development." Oral presentation at Teaching in Internal Medicine Symposium, APDIM and ACP, October 1991.

1991-1993
UCSF Department of Medicine Residency Program Core Curriculum Lecture Series
1993: Sedation and Muscle Relaxants in the Intensive Care Unit; Mechanical Ventilation; Ethical Decision Making
1992: Approach to the Patient with Abdominal Pain
1991: Evaluation of Red Eye and Sudden Visual Loss

Ambulatory Care Medicine Mini-courses, developed and taught:
AY 1992-93: Medical Decision Making, Clinical Teaching, Critical Reading of the Medical Literature, Clinical Ethics , Computers in Medicine(residents); Medical Decision Making (faculty)
AY 1991-92: Clinical Ethics, Critical Reading of the Medical literature (residents)

1993:
"Clinical Applications of Decision Analysis"
Medical Grand Rounds, San Francisco VAMC

1994:
"Clinical Indicator Development: A Key CQI Skill for the Generalist," Braddock CH, Chernof, BA, Workshop at the Society of General Internal Medicine National Meeting, Washington, D.C., April 1994.

"Informed Consent"
"Ethical Issues in Pain Management"
Seattle VAMC General Medicine Journal Club, 1994

1995:
"Teaching Ethics in the Clinical Setting: Practical and Teachable Skills for Ethical Problem-Solving." Workshop at the Society of General Internal Medicine National Meeting, San Diego, CA, May 1995.

"Frequency and quality of informed consent in routine office visits," Oral Presentation at the Society of General Internal Medicine Annual Meeting, San Diego, CA, May 1995.

"Use of Morphine Drips in End-of-Life Care," Ethics Brown Bag Lecture Series, Department of Medical History and Ethics, University of Washington, January 1995.

"Costs and Clinical Decisions," 7th Annual Bioethics Summer Seminar Series, UW, August 1995.

"Confidentiality and Computerized Patient Health Information," Ethics Forum, Seattle VAMC, November 1995.

"Should Cost Considerations Affect Clinical Decisions?" Harborview Ethics Forum, December 1995.

1996:
"Resource Allocation and Clinical Decisions: Should Social Worth Count?" UWMC Ethics Grand Rounds, February 1996.

“Should HIV/AIDS Treatments be Rationed Based on Their Costs?” Harborview Madison Clinic Ethics Conference, March 1996.

“Physician Aid-in-Dying: Moral Reflections on a Changing Paradigm,” Physician Aid-in Dying: Medical, Ethical, Legal, and Religious Perspectives. Virginia Mason Medical Center, June 1996.

“Effectiveness Outcomes vs. Efficiency Outcomes: Ethics in Managed Care and Patient Care Decision-making,” Clinical Paths/Care Maps and Case Management Systems, University of Washington School of Nursing, June 1996.

"Costs and Clinical Decisions," 8th Annual Bioethics Summer Seminar Series, UW, August 1996.

“Ethical Issues in Managed Care,” Trends in Cardiovascular Medicine: Cardiology for Primary Care Physicians, Sierra Heart Institute, September 1996.

“Ethical Issues in Radiation Risk Communication,” Radiation Risk Communication Conference, Hanford Health Information Network, September 1996.

1997:

"Ethical Issues in Managed Care" and "Physician Aid-in-Dying: Moral Reflections on a Changing Paradigm," Annual CME Seminar, Benton-Franklin Medical Society, February 1997.

"Costs and Clinical Decisions," 9th Annual Bioethics Summer Seminar Series, UW, August 1997.

" Integrating ethics into the curriculum: A challenge for medical education." Workshop at the American Association of Medical Colleges Annual Meeting, November 1997.

1998:
"Physician Assisted Suicide: Decision Making when Professional Consensus is Elusive." Department of Medicine Grand Rounds, University of Washington, February 1998.

"Clinical efficiency and productivity: Rationing our time?" General Internal Medicine Journal Club, VA Puget Sound, January 1998.

"Physician-Assisted Suicide: Creating the Respectful Response." UW Department of Medicine Grand Rounds, February 1998.

"Physician-Assisted Suicide: Creating the Respectful Response." Highline Hospital Continuing Medical Education Lecture Series, March 1998.

"Ethical issues in evidence-based decision-making." Guest Lecture for Health Services 518, UW School of Public Health and Community Medicine, April 1998.

"Involving patients in clinical decisions: a practical approach to improving communication around decision-making in outpatient settings." Workshop at the Society of General Internal Medicine Annual Meeting, April 1998.

"Ethics of cost containment in clinical practice: a framework for physicians." Lecture to UW Ophthalmology residents, May 1998.

"Confidentiality in Computerized Patient Records." VAPSHCS Ethics Forum, May 1998.

"Costs and Clinical Decisions," 9th Annual Bioethics Summer Seminar Series, UW, August 1998.

"Social Worth and Resource Allocation," 9th Annual Bioethics Summer Seminar Series, UW, August 1998.

"Interpreting Studies on Diagnostic Test Performance." Guest Workshop Leader at the Stanford Faculty Development Program, September 1998.

"Futility: Giving Meaning to an Elusive Concept" MultiCare Tacoma Ethics Conference, September 1998.

1999:
"Medical Ethics in Rehabilitation Medicine: A Case Discussion." Grand Rounds of the Department of Rehabilitation Medicine, UW, February 1999.

"Ethics Case Conference: Difficult Decisions" Housestaff Noon Conference, UW Department of Medicine, March 1999.

"Do Not Attempt Resuscitation Orders, Living Wills, and Durable Power of Attorney." VA GIMC Housestaff Conference, May 1999.

"Social Worth and Resource Allocation." UWMC Summer Seminar in Health Care Ethics, August 1999.

"Costs and Clinical Decisions." UWMC Summer Seminar in Health Care Ethics, August 1999.

"Communication with Patients: Rapport, Trust, Consent." VHA Ethics Conference, *Ethical Issues within the Continuum,"* September 1999.

"Medical Decision-Making, Modules 3 & 4." Stanford Faculty Development Program, September 1999.

"Medical Ethics Primer." Administrators in Medicine Western and Central Regional Meeting, September 1999.

"Ethical Dilemmas for Anesthesiologists." Anesthesiology Grand Rounds, UW Medical Center, November 1999.

"The 'Free' Lunch: Ethics of Pharmaceutical Company Sponsorship of Medical Education." General Internal Medicine Journal Club, December 1999.

2000:
"Physician assisted suicide: decision-making when professional consensus is elusive." Harborview Ethics Forum, January 2000.

"The Dark Side of CPRS: Confidentiality and the Computerized Patient Record." VA Puget Sound Ethics Forum, January 2000.

Panelist for "Survival Strategies for XX and XY in Y2K," UW Department of Medicine Grand Rounds, Christina Surawicz, Keynote Speaker, January 2000.

"Predictors of physician involvement of patients in clinical decisions**."** Society of General Internal Medicine Northwest Regional Meeting, February 2000.

"Ethical Issues in Clinical Nutrition Practice." Lecture to UW Interdisciplinary Nutrition, March 2000.

"Costs and Clinical Decisions: Ethical Issues of Bedside Spending Decisions." Society of Air Force Physicians/American College of Physicians Meeting, San Antonio TX, March 2000.

"Ethics Education in Nutrition Practice." Dietetic Educators of Practitioners Annual Meeting, Asilomar, CA, March 2000.

"Informed Decision Making in Office Practice." Providence Medical Center Cross-Cultural Forum, March 2000.

"Medical Ethics in the New Millennium: Preparing Future Physicians for Ethical Challenges of Tomorrow's Medicine." American Association of Medical Colleges Group on Institutional Advancement Annual Meeting, Seattle, WA, March 2000.

"Framework for Informed Decision Making in Office Practice." Pac-Med Medical Center Psychosocial Rounds, April 2000.

"Assisted Suicide: The Compassionate Response." Harborview Medical Center Ethics Forum, May 2000.

"Ethical Problems in the Managed Care Setting." Providence Medical Center Everett Conference, June 2000.

"Social Worth and Resource Allocation." UWMC Summer Seminar in Health Care Ethics, August 2000.

"Costs and Clinical Decisions." UWMC Summer Seminar in Health Care Ethics, August 2000.
"Inherent Ethical Tensions in the Changing Healthcare Environment." VA Organizational Ethics Conference, Manhattan VAMC, September 2000.

"Involving Patients in Clinical Decisions: How Well Are We Doing?" UW Department of Medicine Grand Rounds, September 2000.

"Assisted Suicide: The Compassionate Response." Geriatric Grand Rounds, September 2000.

"Preparing Future Physicians for the Ethical Challenges of Tomorrow's Medicine." 2000 Washington State Attorney General's Office Annual Conference, September 2000.

"Preparing Future Physicians for the Ethical Challenges of Tomorrow's Medicine." 2000 Washington State Attorney General's Office Annual Conference, September 2000.

"Inherent Ethical Tension in the Changing Healthcare Environment." VHA Organizational Ethics Conference, New York, NY. September 2000.

"Involving patients in clinical decisions: how well are we doing?" UW Department of Medicine Grand Rounds, September 2000.

"Physician-Assisted Suicide: the Compassionate Response." UW Geriatrics Grand Rounds, October 2000.

"Contemporary Issues in Informed Decision Making: Theory and Practice." Visiting Faculty Lecture, American Medical Association Ethics Center, Chicago, IL, November 2000.

2001:
"Uncertainty and Mistakes in Medicine." Panelist for session in ICM II, Erika Goldstein, Course Chair, February 2001.

"Time management." Psychosocial Medicine Rounds, Roosevelt Clinic, April 2001.

"Epidemiology" Lecture to MEDED Northwest students, July 2001.

"Social Worth and Resource Allocation" UM Summer Seminar in Health Care Ethics, August 2001.

"Economic Constraints in Clinical Decisions." UW Summer Seminar in Health Care Ethics, August 2001.

"Ethics in Medicine: Informed Consent" Practical Reviews in Internal Medicine Audio Series, Oakstone Medical Publishing. August 2001.

"Professional and Ethical Development" 2nd Year Orientation UWSOM, September 2001.

"Celebrating Diversity" 1st Year Orientation, UW SOM, September 2001.

"Preparing Future Physicians for Ethical Challenges of Tomorrow's Medicine." Washington Medical Quality Assurance Commission, September 2001.

"Informed Decision Making in Office Practice." UW DOM Psychosocial Conference, September 2001.

"Ethics in Nutrition Practice." UW Dietetic Internship Program Lecture Series, October 2001.

"Informed Decision Making in Clinical Practice." Harborview Ethics Forum, October 2001.

2002:
"Time Management and Communication." UW DOM Psychosocial Conference, January 2002.

"Shared Decision Making in Contemporary Practice." Stanford Faculty Development Program, January 2002.

"Shared Decision Making in Contemporary Practice." Stanford Faculty Development Program, April 2002.

Department of Medical History & Ethics Summer Seminar in Health Care Ethics, Lecturer for topics: "Social Worth and Resource Allocation" and "Costs and Clinical Decisions," August 2001.

"Educating for Professionalism." Workshop at SGIM National Meeting, May 2002.

"Ethical Issues in Informed Decision Making." Visiting Lecture at Milwaukee Academy of Medicine, May 2002.

"Shared decision making, informed decision making, participatory decision making and informed consent: what's in a name?" Henry Howe Chan Memorial Lecture, Medical College of Wisconsin, May 2002.

"Ethics Case Analysis" Ethics Committee Retreat, Evergreen Hospital, June 2002.

"Racial and ethnic disparities in health care." Washington State Association of Black Professionals in Health Care, June 2002.

"Epidemiology" Lecture to MEDEX Northwest students, July 2002.

"Social Worth and Resource Allocation" UM Summer Seminar in Health Care Ethics, August 2002.

"Economic Constraints in Clinical Decisions." UW Summer Seminar in Health Care Ethics, August 2002.

"Professional and Ethical Development" UWSOM Second Year Student Orientation Program, September 2002.

"Celebrating Diversity" UWSOM First Year Student Orientation Program, September 2002.

"Ethics Case Conference" UW Medicine Residency Psychosocial Conference, October 2002.

"Chairman's Rounds" discussant, October 2002.

"Case Studies in Ethics," ACP-ASIM Washington Chapter Scientific Meeting, November 2002.

"Ethics in Nutrition Practice." UW Dietetic Internship Program Lecture Series, November 2002.

"MD as Shared Decision Maker for Individuals" Stanford Faculty Development Program, November 2002.

"MD as Shared Decision Maker for Systems of Care" Stanford Faculty Development Program, November 2002.

"Shared Decision Making in Contemporary Practice" Certificate Program in Medical Management, University of Washington, November 2002.

"End of Life Care" Housestaff Noon Conference Series, November 2002.

"Ethical Analysis of Ethnic Disparities in Health Care." VA National Center for Ethics in Health Care Hotline Conference, December 2002.

2003:
"Informed Consent: Legal, Ethical, And Practical Perspectives." Department of Surgery Grand Rounds, UW, February 2003.

"Ethical Issues in Medicine." Department of Anesthesiology Resident Teaching Conference, March 2003.

"Perspectives and Priorities: Ethical Decision Making When Opinions Differ." UW Medical Center Medical Ethics Brown Bag, March 2003.

2005:
"Racial and ethnic disparities in the U.S. Is it really that bad? Stanford Department of Otolaryngology-Head & Neck Surgery Grand Rounds, February 2005

"Racial and ethnic disparities in the U.S." Kaiser Permanente, Redwood City, February 2005

"Enhancing DNR and EOL Discussions: A Teaching Workshop" Stanford Department of Medicine Resident Teaching Conference, February 2005.

"Patient-Physician Communication in Palliative Care." VA-Stanford Palliative Care Conference, September 2005.

"Best Practice in Cultural Competence Education." Just Doctoring Conference, Loyola Bioethics Center, Chicago, IL, October 2005.

"Probing Patient-Physician Communication." Stanford Department of Medicine Grand Rounds, December 2005.

2006:
"Developing Best Practices in Cultural Competence Education." Office of Minority Health Leadership Summit, Washington, DC, January 2006.

"Cultural Competence and Health Disparities." Teaching Session in OB/Gyn Clerkship, January 2006.

"Reflective practice: its role in practice-based learning and improvement." Teaching Session in Heme/Onc Fellowship, March 2006.

"How patient-physician communication contributes to health disparities." American Association of Directors of Psychiatry Residency Training Annual Meeting, March 2006.

"Practical, evidence-based approach to informed decision making for preventive services." Workshop at the Society of General Internal Medicine Annual Meeting, April 2006.

"Team-based learning: beyond small groups." Presentation to Education Committee, Johns Hopkins University School of Medicine, June 2006.

"Professionalism in Contemporary Practice." Two-day workshop at Singapore Postgraduate Medical Institute "Regional Conference on Professionalism in Medicine 2006." August 2006.

"Beyond autonomy: new ethics for the patient-doctor relationship." Plenary Lecture at Singapore Postgraduate Medical Institute "Regional Conference on Professionalism in Medicine 2006." August 2006.

"How patient-physician communication contributes to health disparities." ENT Grand Rounds, Stanford University School of Medicine, November 2006

2007:
"The ethical significance of healthcare disparities." Ethics at Noon Conference, Stanford University, January 2007.

"How patient-physician communication contributes to healthcare disparities." Grand Rounds, San Mateo County Health Department, February 13, 2007.

"Ethical and legal issues in consultation." Grand Rounds, Infectious Disease section, Stanford, June 2007.

"Honor Codes in Medical School Settings: Philosophy and Implementation across Three Schools." Panel presentation, Western Group on Educational Affairs (WGEA), April 2007.

"Team-based learning: beyond small groups." Workshop at WGEA, April 2007.

"Working effectively with interpreters." Workshop at WGEA, April 2007.

"Stanford Faculty Development Program: Professionalism in contemporary practice." Precourse at Society of General Internal Medicine (SGIM) Annual Meeting, May 2007.

"Prostate Cancer Screening: To Test or Not to Test? Fitting the Decision into a Busy Clinic Visit." Workshop at SGIM Annual Meeting, May 2007.

"Professionalism in Contemporary Practice" course for Department of Medicine fellows; eight weekly sessions from May-June 2007.

"Professionalism in Medicine." Presentation to Stanford Medical Youth Scientist Program (SMYSP), July 2007.

"Braving the perils of discussing DNAR and end of life care." Stanford Medicine Housestaff noon conference, July & August 2007.

"Professionalism and reflective practice." Oncology fellowship teaching conference, September 2007.

"Professionalism in Contemporary Practice." Course Director for Month-long faculty development course, Stanford Faculty Development Center, September 2007.

Annual Bioethics Seminar, Salinas Valley Memorial Hospital, October 2007.

"Ethical issues in industry-academic relations." Workshop at American Society of Bioethics and Humanities (ASBH) Annual Meeting, October 2007.

"Fostering Compliance of Title VI of the Civil Rights Act: An Educational Program." Workshop at the Association of American Medical Colleges (AAMC) Annual Meeting, November 2007.

"Honor Codes in Medical School Settings: Philosophy and Implementation across Three Schools." Panel presentation, AAMC Annual Meeting, November 2007.

"Examining the culture of medicine." Workshop at AAMC Annual Meeting, November 2007.

"Increasing Your Cultural Awareness: Understanding Health Care Disparities." Presentation at Society of Health Systems Pharmacists, Las Vegas, December 2007.

2008:
"The ethical implications of health care disparities." Presentation at Kaiser Northern California Annual Ethics Conference, March 2008.

"Leadership skills: Principled negotiation." Workshop at Society of General Internal Medicine Annual Meeting, April 2008.

"Essential Competencies of the Emerging Leader." Workshop at the American College of Physicians Annual Meeting, May 2008.

"Professionalism in Medicine." Presentation to Stanford Medical Youth Scientist Program (SMYSP), July 2008.

"Braving the perils of discussing DNAR and end of life care." Stanford Medicine Residency program noon conference, July & August 2008.

"Program in Ethnogeriatric Health Care." Faculty development program sponsored by Stanford Geriatric Education Center, August 2008.

"Ethics of Withholding and Withdrawing Treatment." Stanford Cardiothoracic Surgery Monday Conference Series, September 2008.

"Does how doctors talk with patients contribute to healthcare disparities?" Kirkendall Lectureship, University of Texas, Houston, TX, November 2008.

2009:
"Informed decision making: why outcomes *and* process are important." Foundation for Informed Medical Decision Making, Jackson Hole, WY, July 2009.

"Braving the perils of discussing DNAR and end of life care." Stanford Medicine Residency Program Noon Conference, July 2009.

"Quality Improvement Workshop." Critical Care Medicine Fellowship Conference, December 2009

2010:
"The value and challenges of maintenance of certification: the ABIM experience." Presentation to the Association of Professors of Human Medical Genetics, April 2010.

"Ethics Year in Review." Internal Medicine 2010, ACP, Toronto, April 2010.

"Shared decision making as a tool to reduce healthcare disparities." Evelyn Pintz Lectureship, Ohio State University College of Medicine, May 2010.

"Ethics Year in Review." Internal Medicine 2010, ACP, Toronto, April 2010.

"Shared decision making as a tool to reduce healthcare disparities." Medicine Grand Rounds, San Francisco VA Medical Center, August 2010.

2011:
"Essential competencies for the emerging leader: working effectively in teams." American College of Physicians Annual Meeting, San Diego, CA, April 2011.

"Improving Clinical Outcomes by Moving Simulation from the Lab to the Bedside." BEACON Collaborative Annual Patient Safety Conference, San Francisco, CA, April 2011.

"The case for shared decision making: ethical, clinical, and policy perspectives." Department of Medicine Grand Rounds, Drexel College of Medicine, May 2011.

"The case for shared decision making: ethical, clinical, and policy perspectives." Department of Medicine Grand Rounds, Stanford School of Medicine, May 2011.

"The case for shared decision making: ethical, clinical, and policy perspectives." Samuel Cheng Endowed Lectureship, University of Louisville School of Medicine, October 2011.

TRAINEE MENTORING:

PAST:
University of Washington
Research trainee: Mark Micek, MD, Ambulatory Care Fellow, VA Puget Sound. Examination of the relationship between patient models of health belief and satisfaction with the medical encounter. Met weekly methods, theory, and monitor progress.

Research trainee: Subashini Daniel, MSIV. Independent Study in Medical Sciences (ISMS) project entitled, "Physician identity in the physician-patient relationship: implications for medical education."

Research trainee: Joel Klein, Master in Medical Ethics student, studying maternal-fetal conflict.

Research trainee: Tracy Laidley, MD, Ambulatory Care Fellow, VA Puget Sound. Examination of preceptor assessment of resident learning needs in primary care teaching settings. Met bi-weekly on methods, theory, and monitor progress. Co-author on two publications.

Research trainee: Kelly Edwards, MA, PhD student, College of Education, UW. Tentative dissertation topic: The role of self-understanding in medical ethics education.

Research trainee: Christina An, Master's student, Department of Medical History and Ethics. Served as Chair, Thesis Committee. Thesis topic: The nature of the ethical relationship between patients and managed care organizations.

Research trainee: Elizabeth Vig, MD. Geriatric Medicine fellow and MPH student in the Department of Health Services. Served as her Departmental Advisor.

Research training: Deborah Kasman, MD, Ambulatory Care Fellow, VA Puget Sound. Examination of education in preparing trainees to deal with intense emotional experiences.

Stanford School of Medicine
Research training: Erika Leeman, MD, MPH. Internal Medicine Resident, Stanford. Qualitative study of older patients' perceptions of informed decision making.

Research trainee: Jacqueline Ng, Stanford medical student. Scholarly concentration in Bioethics and Medical Humanities. Project on evaluation of pre-clerkship curriculum in clinical ethics and professionalism.

Research trainee: James Priest, Stanford Medical Student. Med Scholars Program. Project on an observational and qualitative study of clinical rounds practices in pediatrics and internal medicine.

Research trainee: Xiao Tan, Stanford Medical Student. Med Scholars Program. Project on an evaluation of the Scholarly Concentration Program using mixed qualitative and quantitative methods.

CURRENT
Research trainee: Dana Romalis, MD, Clinical Assistant Professor, Rathmann Family Foundation Fellow. Project on on development, implementation and evaluation of curriculum in interprofessional education.

Research trainee: Jeff Chi, MD, Clinical Assistant Professor, Rathmann Family Foundation Fellow. Project evaluating the interaction between use of electronic medical record with development of clinical reasoning skills.

Research trainee: Casey Means, Stanford Medical Student. Med Scholars Program. Project on qualitative evaluation of role of body movement in cognitive processing and learning.

Research trainee: Stephanie Harman, MD, Clinical Assistant Professor, Arnold P. Gold Foundation Professorship. Project to develop, implement, and evaluate a curriculum on "difficult conversations" in advance care planning.

Research trainee: Sam Lahidji, MD, Clinical Instructor, Pain Postdoctoral Fellow. Project to develop model curriculum in pain and pain management for medical students.

Research trainee: Jori Bogetz, MD, Clinical Assistant Professor, General Pediatrics Fellow. Project to develop, implement and evaluate curriculum in clinical skills for children with chronic illness and related needs.

EDITORIAL AND REVIEW ACTIVITIES:

Chair, Abstract Selection Committee, 8th Biennial Teaching Internal Medicine Symposium, Association of Professors of Medicine and Association of Program Directors in Internal Medicine, November 1995.

Member, Abstract Review Committee for Ethics/Qualitative Research, Society of General Internal Medicine Annual Meeting, May 1997.

Invited Periodic Reviewer, Health Affairs, Journal of General Internal Medicine, American Journal of Medicine, JAMA, Journal of Clinical Ethics, Annals of Internal Medicine, American Journal of Bioethics.

Chair, Research Review Committee, Health Services Research and Development Program, VA Puget Sound Health Care System, 1998- 2000

Editorial Advisory Board, *Virtual Mentor*, American Medical Association. 2002 -

Associate Editor, *MedEd PORTAL*, Association of American Medical Colleges, 2007 –

Member, USMLE Step 3 Acute Care Test Material Development Committee, National Board of Medical Examiners, 2007-2009
Member, USMLE Step 3 Acute Care Item Review Committee, National Board of Medical Examiners, 2009 –

Editorial Board, Annals of Internal Medicine, 2010 -

NATIONAL ADVISORY BOARDS/COMMITTEES
National Center for Quality Assurance, "Patient-centered care" Working Group, 2005- 2007
American Medical Association, "African-Americans and the Medical Profession" Writing Group 2005- 2007
American Medical Association, "Responsible Prescribing" Working Group, 2006- 2009
American Society for Bioethics and Humanities, Education Task Force Co-Chair, 2004- 2007
Society of General Internal Medicine, Ethics Committee Member, 2005-
Society of General Internal Medicine, Ethics Committee Chair, 2007-
American Society for Bioethics and Humanities, Member, Board of Directors, 2007-2008
American College of Physicians, Member, Ethics Professionalism and Human Rights Committee, 2007-
American Board of Internal Medicine, Board of Directors, 2008 –
    Member, Professionalism Task Force, 2008 –
    Member, Conflict of Interest Committee, 2008 -
    Chair, Performance Improvement Module Oversight Committee, 2009 –
    Member, Outcomes-based Education Task Force, 2009 -
Associate Editor, MedEd PORTAL (Online journal), Association of American Medical Colleges, 2007 –
Foundation for Informed Medical Decision Making, Member, Board of Directors, 2009 –
Campaign for Effective Patient Care, Advisory Committee, 2010 –
National Quality Forum, Measure Use Advisory Panel, 2010 -

UNIVERSITY SERVICE:

UC San Francisco
Member, Internship Selection Committee, Department of Medicine, UCSF 1989-93
Member, Recruitment and Retention Committee, School of Medicine, UCSF 1991-93
Workshop Leader, UCSF Department of Medicine Faculty Retreat, Asilomar, Sept. 1991

University of Washington
Member, Residency Advisory Committee, Department of Medicine, University of Washington, 1995-97
