

THE STANFORD HYPERTROPHIC CARDIOMYOPATHY CENTER PRESENTS

# BRING IT!

## 49ERS PUSH-UP CHALLENGE

A Heart-filled Fundraiser For HCM Research

Do you think our Stanford Cardiologists can do more push-ups than a 49er?  
Looking to support a seriously great cause?  
Have we got the event for you!

Join us April 24 from 11:45 a.m. – 1 p.m. on the Dean's Lawn (outside of the Clark Center) for an emceed (and televised!) push-ups contest like no other. Here's how it works:

Participants will compete in teams of two, one doing push-ups and one counting. The 49er strength coach will represent the team and attempt to beat the highest number of push-ups completed.

All participants will have the opportunity to meet some of the 49ers, including all-star Michael Lewis and the Gold Rush Squad.

Perhaps best of all, one competitor could walk away with the right to brag "I can do more push-ups than a 49er!"

The event is free. Donations can be made directly online. 100% of the proceeds will go to HCM research. Thank you for your support!
