# SINGLE-SITE LAPAROSCOPY

February 17, 2012

Goodman Simulation Center, Stanford, CA

## STATEMENT OF NEED

This CME conference provides an opportunity for surgeons to develop or improve single-site laparoscopic surgery skills in an immersive learning environment.

## TARGET AUDIENCE

This CME conference is designed to meet the educational needs of a regional and national audience of surgeons across all specialties.

## LEARNING OBJECTIVES

At the conclusion of this activity, participants should be able to:

- Develop skills to perform single-site vs. multiple-site laparoscopy
- Consider indications of and contraindications of SSL
- Successfully perform single-incision laparoscopic cholecystectomy (SILC) and other complex procedures and techniques in a simulation setting

## ACCREDITATION

The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

## CREDIT DESIGNATION

Stanford University School of Medicine designates this live activity for a maximum of 4.50 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## CANCELLATION POLICY

Refunds must be requested in writing by February 3, 2012 and will be subject to a \$75 administrative fee. No refunds will be made on cancellations received after this date. Program materials cannot be guaranteed unless enrollment is received by February 3, 2012. Stanford University School of Medicine reserves the right to cancel this program; in the event of cancellation, course fees will be fully refunded.
